Living Room

Entry (20' x 12'): A large leaded-glass window crowns the solid, double-door entry to this spacious Entry/Living Room, with 13' ceilings. The bleached oak flooring of herringbone design begins in the Entry and is carried throughout the main living areas of the home. Wall sconces are on either side of the

entry doors. The large cloak closet has an oval leaded-glass window. A matching window is found in the powder room on the opposite side of the entry, in addition to a lattice skylight. Glass display shelving is built into both sides of the archway to the Living Room.

Family Room / Den

Living Room (30' x 20'): Panoramic views of the lake, mountains and 9th green are seen through a massive window along the far wall, with French doors on either side for access to the rear gardens and terrazzo and brick patio that runs the length

of the home. The central gas-starter fireplace has a carved marble surround, hearth and mantel.

Family Room (28' x 16'): This room shares the same extraordinary views as the Living Room, with double French doors to the rear terrace. It also has a gas-starter fireplace with carved limestone surround and mantel and marble hearth. French Country display cabinets with bow-front marble counters are built-in on both sides of the fireplace. Hidden along an interior wall is a wet-bar with mirrored wall, glass display shelving and marble countertop and backsplash.

Dining Room

Dining Room (28' x 14'): The bleached oak herringbone design flooring in the Living Room, Family Room and Kitchen extends into the Dining Room, as do the lake and mountain views through the four patio doors along the far wall. The crystal chandelier and floating tray ceiling offer additional lighting and

ornamentation. A built-in marble serving counter runs along the Kitchen wall. Linen closets are on one wall and locking silver/china storage closets on another.

Kitchen (25' x 16'): Sharing the same lake and mountain views as the Living and Dining Rooms, with two sets of double-doors opening onto the rear patio for indoor/outdoor entertaining, this light and spacious room has two lattice skylights, a chandelier and a large granite-topped island with custom beveled coping, prep sink and compactor. It is fully equipped with a Sub-Zero side-by-side refrigerator/freezer; a built-in Thermador four-burner electric cooktop; double built-in Thermador combination conventional, convection, microwave ovens; KitchenAid dishwasher and KitchenAid trash compactor. There are extensive cabinets and pantry shelves for storage. A rear door to the two-car garage provides easy access when restocking groceries.

Laundry: The bleached oak herringbone flooring continues into the Laundry, which is at the rear of the Kitchen, beside the entry from the garage. It has a utility sink and KitchenAid washer and gas dryer. A skylight brightens this room and there are above and below counter cabinets for storage.

MASTER SUITE

Bedroom (28' x 17'): The Master Bedroom has double French doors to the rear terrace and overlook the lake and mountains behind the home. The walls are upholstered and the flooring throughout the suite is wall-to-wall carpet.

Dressing Room (17' x 14'): Features in this room include an Amerec dry sauna; a sunken spa beneath the wall-to-wall carpeting; a private, walled garden accessed through two sets of double French doors and a lattice skylight. There are two linen closets.

Lady's Bath (18' x 17'): Entered through a pocket door from the Dressing Room or from the Master Bedroom, this large bath has slab marble flooring, shower, tub surround and countertop. A central glass-walled shower has a lav and bidet to one side and the vanity and tub on the other, all with gold fixtures. An oval leaded-glass window over the tub, lattice skylight, window to a walled rose garden and makeup lights on either side of the mirror over the sink all provide light. A 13'x12' walk-in closet has a safe and extensive built-in hanging, shelving and bureau storage.

Outdoor patio with golf course, lake, and mountain views

Gentleman's Bath (19' x 14'): A large display window over the built-in bureau offers views of the lake and mountains, while a lattice skylight and swivel makeup lights on either side of the mirror over the sink provide additional light. The shower and vanity countertops are of slab marble. Large, walk-in closets with built-in bureaus are behind a wall of floor-to-ceiling mirrors.

Guest Bedroom (17' x 17'): Beside the Master Suite and entered from the Family Room, this Bedroom has wall-to-wall carpeting; a large walk-in closet with built-in bureau; French doors to a private, walled patio and two windows that overlook the front gardens. A two-room bath has side makeup mirrors over the double sinks set in marble, a raised tub with marble surround and gold fixtures, a slab marble shower and a lattice skylight.

Master Bedroom

Staff Bedroom or Den (13' x 13'): This Bedroom or Den is located off of the kitchen and has its own shower bath with mirrored wall over a tiled vanity. The walls are covered with patterned linen and the flooring is wall-to-wall carpeting. A window looks out onto the rear gardens, lake and mountains. There is a linen closet in addition to the clothes closet.

MONTECITO BIRNAM WOOD GOLF COURSE

"THE BEST SHORT COURSE I HAVE EVER BUILT"

- ROBERT TRENT JONES, 1968

Montecito Birnam Wood is a prestigious gated golfing community located in the heart of beautiful Montecito, California.

The development of single family homes and estates within Montecito Birnam Wood began in the early 1970's, and now totals 142 homes. There are a wide variety of architectural styles, and nearly all of the homes line the golf course and occupy approximately one-acre parcels.

Members of the Birnam Wood Golf Club not only enjoy the golf course, but also a highly appointed club house and six tennis courts (four hard court and two Har-Tru courts). Every prospective purchaser of property within Birnam Wood is required to apply to become a Corporate Member of the Club.

The 18-hole course at Birnam Wood features 5,890 yards of golf for a par of 70. The course rating is 68.7 and it has a slope rating of 121 on Bermuda grass. Designed by Robert Trent Jones, Sr., the Birnam Wood golf course opened in 1968.
